Map - From The M6

Directions from the M6

Exit the M6 at Junction 14 and take the A34 towards Stafford. At the main roundabout directly after the retail park roundabout, continue straight across on to the A513 in an easterly direction. After a further 750 metres on the right hand side, is Common Road, turn right here.

After 500 Metres, you will see a large salvage yard on the left – turn left in to here. It is easily identified from the approach - you will see our excavator booms from some distance away.

Directions from Stone Road

Travelling from Stone, travel out along the A34 (Stone Road) until you arrive at the main roundabout at Stafford. Bear immediately left on to the A513 in an easterly direction. After a further 750 metres on the right hand side, is Common Road, turn right here.

After 500 Metres, you will see a large salvage yard on the left – turn left in to here.

Please be aware, our yard can be a busy place with large vehicles marshalling.
